1971-1972 TAX INFORMATION

GENERAL INFORMATION

Preface

Section 25254 of the Government Code provides that the Board of Supervisors may cause to be prepared and printed an annual statement showing valuations of property, taxes levied, tax rates, legal requirements, and other information on assessment of property and collection of taxes.

Accordingly, this publication is presented to the taxpayers of San Diego County as a matter of general information and to help them understand the legal requirements covering the assessment of property and the collection of ad valorem taxes.

The property tax is one of the principal sources of revenue for local governments. The authority for this tax is found in the Constitution of the State of California and is supplemented in the Revenue and Taxation Code. Other California Codes and Statutes contain provisions pertaining to the levy and collection of taxes and special assessments collected as taxes.

Filing of property statement by taxpayers

"Every person...shall upon request of the assessor file a written property statement...the property statement shall be filed under oath with the assessor between the lien date and 5 p.m. on the last Monday in May, annually, or within such time as the assessor may appoint...at any time, as required by the assessor for assessment purposes, every person shall make available for examination information or records regarding his property..." Revenue and Taxation Code (R & T Code) Sect. 441.

"Every person who willfully states anything which he knows to be false in any oral or written statement, not under oath, required or authorized to be made as the basis of imposing any tax or assessment, is guilty of a misdemeanor..." (R & T Code Sect. 461)

"If, after written demand by the assessor, any person refuses to file an annual property statement or make and subscribe the affidavit respecting his name and place of residence, a penalty of 10 percent of the assessed value of the unreported taxable tangible property of such person placed on the current roll shall be added to the assessment made on the current roll." (R & T Code Sect. 463)

Date of assessment

"Annually, the assessor shall assess all the taxable property in his county, except state-assessed property, to the persons owning, claiming, possessing, or controlling it on the lien date." (R & T Code Sect. 405)

"Except as otherwise specifically provided, all tax liens attach annually as of 12:01 a.m. on the first day of March preceding the fiscal year for which the taxes are levied." (R & T Code Sect. 2192)

Exemptions

All property in this State, not exempt under the laws of the United States or of this State, is subject to taxation. (R & T Code Sect. 201)

The Constitution of the State of California and certain California Codes contain provisions granting exemption from taxation to certain individuals and entities who can meet the legal requirements. The State Board of Equalization is authorized to carry into effect the veteran, church, cemetery, orphanage, college, exhibition, and immature forest trees, or welfare exemptions. To receive this exemption, a claim for the exemption must be filed annually with the assessor. Affidavits required for exemptions, except the veterans' and homeowners' exemptions, shall be filed with the assessor between the first day in March and 5 p.m. on March 15. Veterans' and homeowners' exemptions shall be filed with the assessor between the first day in March and 5 p.m. on April 15. (R & T Code Sect. 255)

Any person claiming an exemption who fails to follow the required procedures is deemed to have waived the exemption. (R & T Code Sect. 260)

A Homeowners' Property Tax Exemption was provided for by Proposition 1A, approved by a statewide general election in November, 1968, and Sections 218 of the Revenue and Taxation Code and the State Constitution were amended accordingly. "There is exempt from taxation the amount of $750 of the assessed value of the dwelling and this shall be known as the homeowners' property tax exemption." (Sect. 1d of Article XIII of the Constitution of the State of California)

A Business Inventory Property Tax exemption was also provided for by Proposition 1A and Section 219 was added to the Revenue and Taxation Code. "Business inventories shall be assessed for taxation...30% of the assessed value of such property shall be exempt from taxation..." (R & T Code Sect. 219)

Where exemption does not apply

No veterans' exemption can be allowed on the property of a person who is not a legal resident of California. (California Constitution Art. XIII, Sect. 1 1/4)

Exemption is allowed only for taxes which apply to all taxable property, that is, land, improvements and personal. Exemption does not apply to the taxes of certain special districts which are levied only on land and improvements, or land only, and the exemption does not apply to charges such as "Weed Tax, Sewer Service Charges" or similar special assessment charges collected with property taxes. (California Constitution Art. XIII, Sect. 1 and 1A)

Assessment roll and equalization

On or before the first of July, annually, the assessor must complete the local roll and deliver it to the County Auditor. (R & T Code Sects. 616 and 617)

Annually, on the third Monday in July, the Assessment Appeals Board convenes to equalize the assessment of property on the local roll. It continues in session for that purpose from time to time, until the business of equalization is disposed of. Persons who wish to apply for a reduction in an assessment must file between July 2 and September 15 with the Assessment Appeals Board a verified, written application showing the facts claimed to require the reduction. (R & T Code Sects. 1603 and 1607)

Where assessment information can be obtained

Information pertaining to the valuation of property, church exemption, veterans' exemption, changes of assessment, etc., should be secured from the County Assessor, Room 103, County Administration Center, 1600 Pacific Highway, San Diego, California 92101, telephone 234-8813.

UNSECURED PROPERTY TAXES

Defined

Unsecured property is property, the taxes on which are not a lien on real property sufficient, in the opinion of the assessor, to secure payment of the taxes. (R & T Code Sect. 134)

The tax rate used is the rate for property of the same kind on the secured roll last fixed before the lien date. Unsecured tax rates, therefore, are the secured rates levied for the preceding tax year. (R & T Code Sect. 2905)

Examples of unsecured property include boats, possessory interest, lease-hold interest, mining claims and business inventories.

Escaped Assessment

In collecting taxes on unsecured property that escaped taxation in any prior year or years the rate to be used shall be the rate to which the property would have been subject if it appeared upon the roll in the year when it should have been lawfully assessed. The taxes on unsecured property shall be computed in dollars and cents, rejecting the fractions of a cent. (R & T Code Sect. 2905)

When due and to whom payable

Taxes on unsecured property are due on the lien date, the first day in March of each year and are payable on demand to the County Tax Collector, Room 162, County Administration Center, 1600 Pacific Highway, San Diego, California 92101. (R & T Code Sect. 2901)

When delinquent

Taxes on the unsecured roll as of July 31, if unpaid are delinquent August 31, at 5 p.m. and thereafter a delinquent penalty of six percent attaches to them. If August 31 falls on Saturday, Sunday or a legal holiday, the time of delinquency is 5 p.m. on the next business day. Taxes added to the unsecured roll after July 31, if unpaid are delinquent at 5 p.m. on the last day of the succeeding month and thereafter a six percent penalty attaches. (R& T Code Sect. 2922) Taxes due on unsecured property may be collected by seizure and sale of certain property belonging or assessed to the assessee. (R & T Code Sect. 2914)

Additional penalties

If unsecured taxes are unpaid at 5 p.m. of the last day of the fourth succeeding month after the six percent penalty attaches, an additional penalty of one percent attaches to them on the first day of each month until paid, or until a court judgment is entered whichever occurs first. (R & T Code Sect. 2922)

SECURED PROPERTY TAX

Defined

Secured property is property, the taxes on which are a lien on real property sufficient, in the assessor's opinion, to secure payment of the taxes. The major portion of taxable property in the County is assessed on the secured roll. (R & T Code Sect. 109)

Escaped Assessment

If any property belonging on the local roll has escaped assessment, the assessor shall assess the property on discovery at its value on the lien date for the year for which it escaped assessment. It shall be subject to the tax rate in effect in the year of its escape. (R & T Code Sect. 531)

When bills are mailed

Tax bills are mailed annually before the first of November. The mailing of tax bills is for the taxpayer's convenience. It is the taxpayer's responsibility to obtain and pay the tax bill on his property. Failure to receive or obtain a bill does not permit the waiving of delinquency penalties. If tax bills are not received by November 11, a request for them should be made to the tax collector.

Bills should be checked against real estate holdings before payment to be sure that all have been received. If any bills are received which are for property not owned by the taxpayer, they should be returned to the tax collector with an explanation.

Address changes

The tax collector should be notified of any change of address to insure accuracy for future mailings.

When payable

Taxes on real property and personal property assessed with real property together with any assessment, fee or charge to become a lien on land and to be collected with county taxes or other taxes or assessments collected on the secured roll shall be payable to the county tax collector in two (2) equal installments. Half the taxes on real and personal property on the secured roll are due November 1, becoming delinquent at 5 p.m. on the tenth day of December. The second half of taxes on real and personal property on the secured roll is due February 1, becoming delinquent at 5 p.m. on the tenth day of April. (R & T Code Sects. 2700.1 - 2703)

The entire tax on the secured roll may be paid when the first half is due. The second half may be paid separately only if the first half has been paid. Unless accompanied by the payment of the second half, payment of the first half will not be accepted after the second half has become delinquent. (R & T Code Sect. 2607)

How payment is made

Tax bills may be paid by appearing at the Office of the Tax Collector, Room 162, County Administration Center, 1600 Pacific Highway, San Diego, California 92101, and tendering payment in cash or negotiable paper or by mailing to the tax collector at that address.

When remitting payments by mail to the tax collector, all remittances must be by bank check, draft, post office or express money order. Checks, drafts, and money orders must be drawn for the exact amount of taxes. No change is given on any negotiable paper. The check should be signed and in good order. Stamps will not be accepted in payment.

Before remitting, all tax bills should be carefully examined to see that all property upon which you desire to pay taxes is listed and properly described.

The tax collector acts only as the taxpayer's collecting agent and assumes no responsibility for the loss in transit of any such items or the proceeds thereof or from losses resulting from the failure of any bank used as a collection agency.

Credits may be withheld and receipts retained for a period of a week or more following the deposit of checks by the tax collector for collection. Owing to the deferred credit, payments affecting escrows should be made in cash. If a check or draft was given in payment of a tax bill, the receipt given shall be voided and of no effect should said check or draft be not paid on presentation.

If a remittance to cover a payment required by law to be made to a taxing agency on or before a specified date is sent through the United States mail, properly addressed with postage prepaid, it shall be deemed received on the date shown by the post office cancellation mark stamped upon the envelope containing the remittance.

During the last two or three weeks before the delinquent dates, there is a tremendous rush of mail and window payments at the tax collector's office. To avoid congestion, remittance should be sent as soon as possible after receipt of bills.

Payment where bill is lost

If a bill is lost or has never been received, the tax collector will prepare a duplicate bill. If the taxpayer loses a bill, reference should be made if possible to the tax rate area and parcel number shown on the bill for the previous year. If this information is not available, reference should be made to the property as described in the deed or certificate of title. Payment should be made even though the taxpayer does not have a bill, but sufficient data must accompany the payment so that the property can be identified.

Penalties

All taxes on the secured roll may be paid when the first half is due. The first half of taxes on the secured roll is due November 1, and, if unpaid, is delinquent at 5 p.m. on December 10, and thereafter a delinquent penalty of six percent attaches to it. The second half of taxes on the secured roll is due February 1, and if unpaid, is delinquent at 5 p.m. on April 10, and thereafter a delinquent penalty of six percent attaches to it. If December 10 or April 10 falls on Saturday, Sunday or a legal holiday, the time of delinquency is 5 p.m. on the next business day. (R & T Code Sects. 2704 & 2705)

After the second half of taxes on the secured roll is delinquent, the tax collector shall collect a cost of three dollars for preparing the delinquent roll and published delinquent list, on each separate billing unpaid on April 10 each year. (R & T Code Sect. 2706)

DELINQUENT SECURED PROPERTY TAXES

Delinquent list

The delinquent list is published on or before the eighth day of September each year in a newspaper, or newspapers, authorized by the Board of Supervisors. The list shows the name of the assessee, the description of the property and the total due on the preceding 30th of June. (R & T Code Sect. 3371, 3372 and 3373)

Sale to State for taxes ("Stamp" sale)

On or before June 30, (the date varies from year to year, falling between June 28 and June 30) the real property on which the taxes, assessments, penalties and costs have not been fully paid shall by operation of law and the declaration of the tax collector be sold to the State. (R & T Code Sect. 3436)

The sale to the State is indicated on the roll and on the face of the tax bill. If a year date appears on the line reading "Date First Sold to the State for Taxes" (a term established by State law) it is an indication that a total or partial tax was unpaid for the year shown and for which the State acquired a lien on June 30, the close of that fiscal year.

The sale to the State does not deprive the owner thereof of title or possession but by law he is prohibited from doing any act tending permanently to impair the value of tax-sold property.

Taxpayers have five years from the date of sale in which to pay the delinquent taxes and if the delinquent taxes are not paid the property will be deeded to the State. A notice of intent to deed, with a list of properties to be deeded will be published on or before June 8th each year in a newspaper authorized by the Board of Supervisors. The deed conveys to the State the absolute title to the property and the State may demand possession of the property, rent it or sell it by auctions conducted by the Tax Collector. All tax-deeded property is automatically brought to auction by regularly scheduled tax sales.

Redemption penalties

If taxes are unpaid after sale to the State, the owner will be obliged to pay a redemption penalty thereon beginning July 1st of the year of sale to the State of one percent a month to the time of redemption, plus costs and a redemption fee of $2.00 on each separately valued parcel. (R & T Code Sects 4102, 4103 and 4156)

Redemption of delinquent property

After the sale to the State, to ascertain the amount necessary to redeem property delinquent in the payment of taxes, contact the Tax Redemption Office, Room 152, County Administration Center, 1600 Pacific Highway, San Diego, California 92101, telephone 234-8813. Property may be redeemed by installment payments. The following paragraphs describe the partial payment plan of redemption.

A person may elect to pay delinquent taxes in installments at any time prior to the deed to the State. Election to pay delinquent taxes in installments is made by payment, in the same manner as a redemption, of twenty percent or more of the redemption amount.

In addition to the payment plan amount of twenty percent or more of the redemption amount, all current taxes and penalties coming due in each fiscal year must be paid in full not later than April 10 to keep the plan in effect.

Upon failure to make any of the payments as required, the right to continue under the plan is forfeited. Credit for payments made exclusive of interest, may be had if within five years a redemption is made or another partial payment plan is instituted. This latter, however, cannot be instituted until July 1 of the second succeeding fiscal year after that in which such default occurs.

As long as payments are kept up, the property will not be subject to being deeded to the State for taxes.

PROPERTY DEEDED TO THE STATE AND SALE AFTER SUCH DEED

Deed to State

A deed covering the property will be issued to the State five years after the property was sold to the State unless it is redeemed or an installment plan of redemption is initiated prior to that time. (R & T Code Sect. 3511)

Sale of property deeded to the State

Property deeded to the State for Delinquent taxes may be sold by the County Tax Collector at any time upon authorization of the Board of Supervisors and the State Controller.

For further information in regard to tax sales contact the County Tax Collector, Room 162, County Administration Center, 1600 Pacific Highway, San Diego, California 92101, telephone 234-8813.

TAX RATE AREAS

The basis for compiling the tax roll is the division of property into school districts. Tax rates levied vary in each of such districts in accordance with the valuations and requirements of the district. In addition to school districts, there are also numerous special districts and thirteen incorporated cities for which tax rates are levied on the properties benefited.

In the interest of efficiency in extending the tax levies, properties are classified into groups wherein the various rates are uniform. The area in which property is located determines the taxing agencies (districts) for which taxes are levied. For identification purposes these areas are known as TAX RATE AREAS. There are approximately such tax rate areas in the county.

Taxes levied do not have a common tax base. In accordance with legal provisions, some taxing agency rates are levied on LAND valuations only, some are levied on both LAND AND IMPROVEMENTS (building) valuations, and others are levied on all property valuations, LAND, IMPROVEMENTS, AND PERSONAL PROPERTY. Exemption allowances are not applicable to levies on land only or land and improvements only.

The breakdown of tax rates by fund in each rate area and the rate area total rate are printed for your information starting with page No. 61.

To determine the total tax rate of certain taxing agencies, it will be necessary to make certain combinations. The combinations are also used on the 1971-72 Secured Property tax bills.
